

Frequently Asked Questions

Question 1: Where do the non-playing teams sit at home football games?

Answer: All teams that are not playing sit together on the southern most section of the bleachers.

Question 2: Are athletes allowed to leave with their parents after they have played their game?

Answer: We would prefer that all athletes go to the game on the bus as a team, sit in the stands as a team, and leave on the bus as a team. If there are extenuating circumstances, and special arrangements are required, those arrangements should be made with the athlete's coach in writing prior to the game.

Question 3: At what time should the 7th grade boys here in the morning, and at what time will the doors be opened for them to enter the building?

Answer: We open the doors at 7:15AM.
